## V. INVESTIGATION

### a. Interviews

**COPA Interviewed the complainant, Subject 1<sup>2</sup>,** on 15 January 2015. Subject 1 reported that on 12 January 2015, he and his brother, Subject 2, were walking to the store when they were stopped by an unmarked squad car. The officers, now known as Officers 1 and 2, patted them down and informed them that they were taking them to the XXX<sup>th</sup> District Police Station to run their names. Subject 1 and Subject 2 complied with the officers, and they were transported to the police station.

When they arrived at the XXX<sup>th</sup> District Police Station, the officers put him and Subject 2 in the same interview room. One of the officers (Officer #1) told Subject 1 to empty his pockets and to lower his pants. Subject 1 complied, but then immediately raised his pants back up. Officer #1 noticed that Subject 1 was wearing two pairs of pants and asked him, “Why are you wearing another pair of pants?” Subject 1 informed the officer that he was wearing the extra pair of pants, because of the weather conditions.

At this time, Officer #1 approached Subject 1 and grabbed his arm and told him that he was placing him in handcuffs. Subject 1 admitted that he stiffened his arms and refused to allow the officer to handcuff him. Subject 1 indicated that he refused to let the officer handcuff him because the officers told him that he was only in the district to run him and his brother’s names. The other officer (Officer #2) grabbed his other arm and attempted to assist in handcuffing him. Officer #1 then grabbed his legs, tripped him to the floor, causing him to land on Officer #1. Officer #1 accused Subject 1 of reaching for his gun, and the officers called for assistance. Several officers entered the interview room and began to punch and kick Subject 1 about the face and body. Subject 1 also related that an unknown officer put his foot and knee on his face.

Subject 1 sustained pain to his head and body, and he received medical treatment at the University of Chicago Hospital. Subject 1 also had abrasions on his arms, elbows, face, and back. (Att. #14)

COPA interviewed **Reporting Party Victim, Subject 2<sup>3</sup>**, on 15 January 2015. Subject 2 related, in essence, the same information as for his brother, Subject 1. Subject 2 further related that while they were at the XXX<sup>th</sup> District Police Station, Subject 1 was thrown to the ground, and struck about the body and face. Subject 2 described the physical abuse as slamming Subject 1 into the floor, elbowing him on the face, and beating him about the body. The officers then took Subject 1 into another area of the station where he was allegedly beaten by the officers. Subject 2 stated that he recorded the incident on his phone, but when he refused to delete the video footage, the officers confiscated the phone. Subject 2 further related that an officer referred to him and Subject 1 as "Savage ass niggers." Subject 2 also heard one of the officers say words to the effect of "I tried to break his fucking arm."

COPA interviewed the accused, **Officer 2<sup>4</sup>**, on 20 October 2015. Officer 2 informed COPA on 12 January 2015, he and his partner, Officer 1, were in the vicinity of XXXX W. 63<sup>rd</sup> Street when they observed Subject 1 and Subject 2, yelling "Rocks" to passing vehicles. Officers 2 and 1 conducted a field interview with Subject 1 and Subject 2, then conducted a protective pat-down, placed them in the squad car and transported them to the XXX<sup>th</sup> District Police Station.

When they arrived at the XXX<sup>th</sup> District Police Station, the officers placed Subject 1 and Subject 2 in the processing room. At this time, Officers 2 and 1 were going to conduct a thorough custodial search of Subject 1, who had on multiple layers of clothing on. Subject 1 stood up, grabbed the top of the divider, and refused to comply with the search. Subject 1 also stiffened his body and ignored the officers' directives. Officers 2 and 1 attempted to handcuff Subject 1, but he would not let go of the divider. The officers then conducted an emergency takedown. They were able to get Subject 1 to the ground, which caused Subject 1 to land on top of Officer 2, and Officer 1 landed on top of Subject 1.

According to Officer 2, Subject 1 struck him with his elbow. Officer 2 indicated that Subject 1 was on top of him with his (Subject 1) back on Officer 2's chest. Officer 2 then struck Subject 1 with his elbow, but he continued to struggle. Subject 1 also pushed and shoved Officer 1. Officer A called for assistance over the radio. Several officers entered the processing room, and they placed Subject 1 into custody. Once Subject 1 was secured by the assisting officers, Officer 2 did not witness anything else that occurred. Officer 2 did not recall observing any injuries to Subject 1. Officer 2 explained that he never got an opportunity to search Subject 1 and that another officer searched and recovered narcotics from him. Officer 2 did not know which officer searched Subject 1. Officer 2 denied the allegations made against him.

COPA interviewed the accused, **Officer 1<sup>5</sup>**, on 20 October 2015. Officer 1 stated that on 12 January 2015 Subject 1 and Subject 2 were placed under arrest for soliciting drugs. Officer 1 indicated that Subject 1 and Subject 2 were searched for weapons, handcuffed and placed in the

Subject 1 was standing up at the time, and he held on to a divider connected to the processing table.

Officer 1 and Officer 2 approached Subject 1 and attempted to handcuff him behind his back. Subject 1 stiffened his body and refused to comply with the officer's commands. At this time, Subject 1 shoved Officer 1 on the chest. Officer 1 believed that he had one of Subject 1' arms handcuffed, and they attempted to gain control of Subject 1. At one point during the struggle, Officer 1 grabbed one of Subject 1' legs, but he was still unable to get control of Subject 1. Officer 1, Officer 2, and Subject 1 continued to struggle with one another until they all fell to the floor. Officer 1 said Officer 1 was on the floor, Subject 1 was on top Officer 2 and Officer 1 was on top of Subject 1. According to Officer 1, he observed Subject 1 elbow Officer 2 at least once.

The struggle continued, and Officer 2 finally got on the radio and called for assistance. Officer 1 indicated that he struck Subject 1 in the chest and jaw with his forearm and closed fist, to stop him from struggling. The assist officers entered the room, and they were able to place Subject 1 into custody. Officer 1 never observed any injuries to Subject 1. Officer 1 admitted to grabbing Subject 1' leg but indicated that he only did it because Subject 1 was resisting arrest. ### b. Allegations 2 - 3: Struck Subject 1 about the body and face; and called Subject 1 and Subject 2 “Savage ass niggers.”

COPA recommends a finding of **Not Sustained** for allegations 2 – 3 against **Officer 1**. ---

<sup>13</sup> Att. 28

Due to the lack of evidence to either prove or disprove the allegations, the COPA recommends a finding of **Not Sustained**.

**b. Allegations 2 - 3: Struck Subject 1 about the body and face; and called Subject 1 and Subject 2 “Savage ass niggers.”**

COPA recommends a finding of **Not Sustained** for allegations #2 – 3 against **Officer 2** for the same reasons given to Officer 1. Officer 2 further indicated that he gave Subject 1 an elbow strike after Subject 1 elbowed him in the chest. Officer 2 denied the allegations made against him.
